STERLING STEEL

Airside

STERLING SAFETYWEAR LTD is proud to have such a long association within the footwear industry. Based in the heart of Northamptonshire, Sterling's management team have over 100 years of experience in footwear manufacturing.

This has enabled Sterling to become one of the leading importers and distributors of safety footwear within the UK and Irish marketplace.

Our ranges are available exclusively via a network of dedicated authorised distributors. We can also offer a made to order service which can include your own branding requirements subject to minimum quantities.

Our experienced hands on approach to concept, design and manufacture has long been a proven route to success for Sterling Safetywear Ltd.

We are constantly working with distributors to deliver innovative technical products that are suited to all types of industry. Our knowledgeable team of field sales personnel are always on hand to give sound advice when needed.

The **APACHE** brand has long been associated with a modern technical approach to it's product ranges and we are constantly developing this highly successful brand. The APACHE brand delivers a range of functional and stylish footwear and workwear for all workplaces, covering you from head to toe in performance.

In 2001 Sterling Safetywear Ltd became the UK and Irish distributor for all **DEWALT** industrial safety footwear and workwear. This global brand is the market leader and the distinctive yellow and black DEWALT logo is worn by many different professional trades.

So, if it is APACHE, DEWALT or any other product from Sterling Safetywear Ltd you can be assured that we will always deliver you a quality product that is safe, comfortable & fit for purpose.

EVERYDAY VALUE

FROM
APACHE

THE APACHE EVERYDAY VALUE RANGE OF FOOTWEAR EMBODIES OUR COMMITMENT TO BOTH QUALITY AND SUSTAINABILITY.

Crafted from recycled materials in accordance with the Global Recycled Standards (GRS), this range not only prioritises safety on the work site but also contributes to a more environmentally conscious approach to manufacturing.

The latest technology ensures that wearers experience optimal performance and comfort in their everyday tasks, making the Apache Everyday Value range a reliable and practical choice for those seeking durable and eco-friendly safety footwear for the demands of the workplace.

APACHE FOOTWEAR

MAXIM COMFORT AND DURABILITY

Designed for the modern worker, this lightweight, slim-fit trouser features stretch rip-stop fabric and an elasticated waistband for maximum freedom of movement on site. Reinforced with durable Cordura on the holster pockets, knee pads, and hems, it's built to last. Practicality is key, with two side cargo pockets (including a mobile phone pocket) and two streamlined rear pockets, eliminating bulk. Stay comfortable, look sharp, and work with ease all day long in the Sudbury trouser.

SAFETY RATING

S3 SRA

STERLING FOOTWEAR

SAFETY RATINGS

CHOOSING THE RIGHT SAFETY FOOTWEAR IS IMPORTANT. ALL DAY COMFORT IS ALSO IMPORTANT HOWEVER YOUR SAFETY IS PARAMOUNT. IT IS NOT JUST ABOUT TOE PROTECTION , THERE ARE MANY ADDITIONAL LEVELS OF PROTECTION TO THINK ABOUT. UNDERFOOT PROTECTION, ANTI-STATIC, WATER RESISTANT THESE ARE JUST SOME YOU NEED TO CONSIDER.

A large degree of workplace accidents involve slips and trips so the level of slip resistance should also be considered in your job role. Make sure you choose footwear that has the correct level of protection for your industry be it warehouse, electrician, driver, hospitality or heavy construction.

Our safety footwear has been manufactured in accordance with CE EN 20345:2011 standards. The safety ratings below are a guide to choosing the correct footwear for your job requirement. The rating for each style is clearly marked on all footwear. It is always advisable that a risk assessment is carried out in order to achieve the correct rating required.

SAFETY RATINGS CE EN20345:2011

SB <ul style="list-style-type: none">• Basic safety protection.• 200 joule toe cap.	S1P <ul style="list-style-type: none">• 200 joule toe cap.• Closed seat region.• Anti-static Energy absorption.• Penetration Resistant Midsole.	S4 <ul style="list-style-type: none">• 200 joule toe cap.• All rubber or all polymeric anti-static footwear• Energy absorption.
SBP <ul style="list-style-type: none">• Basic safety protection.• 200 joule toe cap.• Penetration resistant midsole.	S2 <ul style="list-style-type: none">• 200 joule toe cap.• Closed seat region.• Anti-static Energy absorption.• Water absorption.	S5 <ul style="list-style-type: none">• 200 joule toe cap.• All rubber or all polymeric anti-static footwear• Energy absorption.• Penetration resistant midsole.• Cleated outsole.• Cleated outsole.
